## FROM OUR LATIN AMERICA PRESIDENTS:

Beloved Kathy and Ross Abraham

This letter is to tell you about the great time we lived in our Latin American conference that took place in the month of September.

We had a great participation of leaders and pastors from INC Latin America.

This conference in Chile exceeded our expectations! Pastors from Argentina, Colombia, Brazil, Peru and Chile participated

It was wonderful for us to have them all together again. We are certain that God spoke to their lives in these days that we were able to be together.

Pastor Ashley Schmierer was one of the guest speakers with us and Franco Figueroa, a well-known Chilean songwriter and artist.

We are happy to announce that despite the time of the pandemic, new churches have been opened in the cities of Cali, Bonanza and Bogota in Colombia. In Merlo, Argentina; Lima, Peru and Belo Horizonte, Brazil.

Also, at this conference, we set apart new pastors who are taking on the challenge of planting new churches.

Each Latin American conference is a great economic and spiritual challenge that, with much love, we are always ready to take on.

We send you a report on our economic adventure at this conference. We continue to believe in God's faithfulness and see how good he has been to us.

We believe that this is a great time to expand in Latin America.

We love you,

**Romina & Maickel Caroca**
