# BORN FOR MORE.

## **LATIN AMERICAN PRESIDENTS:**

“Everything we have experienced at these conferences has been a gift of His grace: every message that touched our hearts, every prayer we offered in unity, every fraternal embrace, and every testimony that reminded us that God continues to work among His people. We were born for more.”

Thank you for your willingness to listen, for opening your hearts, for coming with a hunger for His Word.

To our organizing brothers and sisters and to those who served in each area, thank you for allowing the Lord to use you as instruments of blessing.

To the speakers, thank you for letting us see Christ through each teaching.

This conference invites us to pause, break free from our routines, and open our hearts to what God wants to do in us. It involves setting aside our daily burdens for a moment, abandoning our comfort zones, and preparing ourselves to listen with humility and sincerity.

To receive that which confronts us, to allow the Word to make us uncomfortable if necessary, and to be willing to let the Holy Spirit touch areas that we sometimes prefer to keep closed.

We are counting on each and every one of you so that together we can build the kingdom of God to other levels.

We love you,

**Romina and Maickel Caroca,**

# RESULTS OF THE CONFERENCE “WHY NOT NOW?”

“Why Not Now?” leaves a deep impression on us because it confronts us with a direct and urgent call from the Lord: to no longer postpone what He wants to do in our lives. Its results are not only emotional, but also spiritual, practical, and transformative.

## **1. Renewal of personal commitment**

A renewed heart, aware that God is inviting us to take steps of obedience today, not tomorrow. This conference awakened the conviction that God's timing is now, and that authentic faith is demonstrated through concrete decisions.

## **2. Facing internal challenges**

“Why not now?” forces us to confront our fears, excuses, and the areas where we've been putting off spiritual growth. The Holy Spirit reveals the bondages, patterns, and comforts that have held us back, bringing liberation and courage.

## **3. Lessons that drive action**

Each teaching provided practical tools for moving forward: how to listen to God's voice, how to walk with purpose, how to leave behind what stagnates, and how to live with an active faith that transforms not only our minds, but also our behavior.

## RESULTS OF THE CONFERENCE “WHY NOT NOW?”

### **4. Awakening of purpose and vision**

One powerful outcome is clarity. Many of us discovered or reaffirmed the calling God has given us. The conference ignited a desire to serve, to grow, to restore relationships, to initiate faith-based projects... in a word: to take action.

### **5. Connection and mutual support**

The encounter with other believers strengthened their spirits. Testimonies, shared prayers, and words of encouragement create a spiritual network that motivates them not to walk alone. The community becomes a driving force to sustain what God began.

### **6. Decisions that mark a turning point**

The greatest evidence of this conference lies in the decisions that are made: to forgive, to return to the Lord, to begin a ministry, to resume prayer, to restore devotional life, to commit to the local church. These are decisions that change destinies.

### **7. A healthy sense of spiritual urgency**

“Why not now?” reminds us that life is short and God’s call is real. This conference awakens a spirit of diligence and commitment that motivates us to live each day with purpose and dependence on the Lord.
